The Administrators' Progress Report

1 Introduction

- 1.1 I, together with my partners, Jonathan E Avery-Gee and Edward M Avery-Gee were appointed Joint Administrators of Fundingsecure Ltd (the **Company**) on 23 October 2019. The Appointment was made by the director, Nigel Hackett, following receipt of the consent from the Financial Conduct Authority (FCA).
- 1.2 This Administration is being handled by CG&Co at Greg's Building, 1 Booth Street, Manchester M2 4DU. The Administrators contact details are by phone on 0161 358 0210 or via email at fundingsecure@cg-recovery.com. The Administration is registered in the High Court of Justice Business and Property Courts in Manchester Insolvency and Companies List (Chd), reference number CR-2019-MAN-1065.
- 1.3 As Administrator, I am required to provide a progress report covering the period of six months commencing from the date the Company entered Administration and every subsequent period of six months. This progress report covers the period from 23 April 2021 to 22 October 2021 (the **Period**) and should be read in conjunction with my earlier Proposals report and any previous progress reports which have been issued.
- 1.4 As advised in my previous progress report, an application was made to the Court to extend the period of the Administration, with the Court Order being made on 15 October 2020. As such, the Administration has been extended to 22 October 2023.
- 1.5 Information about the way that we will use and store personal data on insolvency appointments can be found at www.cg-recovery.com. If you are unable to download this, please contact us and a hard copy will be provided to you.
- 1.6 The trading address of the Company was Unit 8 Stokenchurch Business Park, Ibstone Road, Stokenchurch, Buckinghamshire HP14 3FE.
- 1.7 The registered office of the Company is c/o CG&Co, Greg's Building, 1 Booth Street, Manchester M2 4DU and its registered number is 08120200.

2 Receipts and Payments

- 2.1 At **Appendix A** is my Receipts and Payments Account covering the Period of this report, together with a cumulative receipts and payments account from the date of my appointment as Administrator to 22 October 2021.
- 2.2 In Section 3 below, you will find an update on the progress made during the Period in realising the Company's assets and dealing with its affairs.

3 Progress of the Administration

- 3.1 You may recall that the statutory objective being pursued in the Administration was achieving a better result than would be likely if the company were wound up. In addition to the pursuance of this statutory objective, the Administrators have duties imposed by insolvency and other legislation, some of which may not provide any financial benefit to creditors.

- 3.2 As detailed in my previous reports, creditors and investors requested a physical meeting of creditors be held in order to approve the Administrators' Proposals and that a creditors' committee be formed.
- 3.3 This section of the report provided creditors with an update on the progress made in the Period, both in terms of the achievement of the statutory objective, but also work which is required of the Administrators under other related legislation.

Administration (including statutory compliance & reporting)

- 3.4 As noted above, the Administrators must comply with certain statutory obligations under the Insolvency Act 1986 and other related legislation. Details about the work that I anticipated would need to be done in this area was outlined in my initial fees estimate/information which was previously agreed by creditors.
- 3.5 Where the costs of statutory compliance work or reporting to creditors exceeds the initial estimate, it will usually be because the duration of the case has taken longer than anticipated, possibly due to protracted asset realisations, which have in turn placed a further statutory reporting requirement on the Administrators.
- 3.6 As noted in my initial fees estimate/information, this work will not necessarily bring any financial benefit to creditors but is required on every case by statute.

Trading

- 3.7 As previously advised, the Company did not continue to trade in terms of new investor loans, but it was deemed necessary to retain staff and consultants of the Company, and for the continued operation at the Company's premises in the initial weeks of the Administration.
- 3.8 By way of a reminder, staff members and consultants have been reduced to one respectively and the Company has vacated the premises. An unsecured claim from the landlord has been received in respect of the continuation of the lease, following the rejection of the Administrators request for an informal surrender of the lease.

Realisation of Assets

Loan Book

- 3.9 During the Period, total gross loan realisations amount to £2,887,643.04. To date, total gross loan realisations amount to £26,277,711.02. **Appendix A** gives a summary of the category of each loan.
- 3.10 As previously detailed, there remains three loans that have completed, whereby funds cannot be released to investors. The relevant funds are presently held in separate suspense accounts. These matters remain ongoing, and the Administrators have now taken significant steps to release the funds to creditors and in respect of two of the loans are in a position to do so, pending the unfreezing of the Investors' e-wallet account (as referred to in paragraph 3.11 below). An update in respect of the remaining account will be provided in my next report to creditors.
- 3.11 Further to the above, and following the update provided to investors on 17 May 2021, in relation to the claim received from a creditor relating to monies paid into the Company's client account prior to the Administration, relating to an asserted 'quistclose trust' claim, payments to investors were suspended. The Joint Administrators have provided a significant amount of information at the creditor's solicitors' request. The suspension of payments to investors remains in place whilst the creditor's solicitors continue

to assert their client's claim to the funds. The Joint Administrators have sought advice regarding the return of Investor funds, and this is awaited.

- 3.12 Updates in respect to all live loans are provided to investors on a minimum quarterly basis. The last quarterly updates being 30 October 2021.
- 3.13 At the date of this report, there are 82 remaining defaulted loans. The total capital invested in respect of these loans amounts to £40,140,299.33. It is not possible to provide an estimate on timing for dealing with the remaining assets, in particular the property assets, given the continued impact of COVID-19 on the property market and the ability of the Administrators to take certain actions.
- 3.14 As previously stated, it is not considered practicable, or in line with the Company's terms and conditions, to give specific information in respect of each loan within the progress report, which is a public document. Investors should continue to monitor the platform in respect to updates relating to their specific investments.
- 3.15 Various Receivers and Administrators were appointed by the Company in relation to assets, prior to our appointment, the Administrators have continued to work with these professionals in realising the assets. The Administrators have additionally continued to appoint their choice of Receivers or Administrators to recover certain assets, where the loan(s) are in default, and there is no clear exit strategy.

Bank Accounts

- 3.16 As detailed in previous reports, the Company operated with three operational bank accounts with Barclays Bank PLC ("Barclays"). The accounts at Barclays remain open and functional, to assist with the operation of making payments to investors.
- 3.17 At the date of our appointment, funds held in Client Account One, which is connected to the electronic platform, amounted to £1,977,160.92. As you will be aware, investor withdrawals were made available in March 2020, and the platform has been functioning since this date until payments were frozen on 17 May 2021.
- 3.18 During the Period, investor withdrawals amount to £122,053.26, which relate to withdrawals processed prior to the suspension being applied as referred to at Section 3.11. To date, the total investor withdrawals amount to £24,328,103.96.
- 3.19 Client Account Two had the main function of holding payments on account of redemptions, prior to the funds being remitted to the e-wallet account. The amount currently held in this account amounts to £511,734.02.

Directors' Loan Account

- 3.20 Discussions with Richard Luxmore and Nigel Hackett regarding their overdrawn loan agreements are continuing.
- 3.21 Further action is being taken and an update will be provided in my next report to creditors.

Gross Bank Interest

- 3.22 During the Period, gross bank interest amounts to £308.42. Total gross interest amounts to £11,208.99.

Assets Remaining to be Realised

- 3.23 The Administrators are continuing to collect the outstanding loan book and the directors' overdrawn loan accounts.
- 3.24 In addition, the Administrators are seeking to recover additional sums in respect of loans which have already completed and have written to a number of borrowers in this regard.
- 3.25 Further updates regarding the same will be provided in my next report to creditors.
- 3.26 It is anticipated that the work the Administrators and their staff have undertaken to date will bring a financial benefit to creditors. This may be a distribution to secured creditors of the Company only (from which a Prescribed Part fund may be derived for the benefit of unsecured creditors) or may, depending on realisations and the extent of any 3rd party security, result in a distribution to the preferential and unsecured creditors of the Company.

Creditors (claims and distributions)

- 3.27 Administrators are not only required to deal with correspondence and claims from unsecured creditors (which may include retention of title claims), but also those of any secured and preferential creditors of the Company. This may involve separate reporting to any secured creditor and dealing with distributions from asset realisations caught under their security, most typically a debenture.
- 3.28 Work undertaken by Administrators in dealing with a company's creditors may only bring a financial benefit to certain classes of creditor such as a secured creditor or the preferential creditors, however an Administrator is required by statute to undertake this work. Similarly, if a distribution is to be paid to any class of creditor, work will be required to agree those claims and process the dividend payments to each relevant class of creditor. The more creditors a company has, the more time and cost will be involved by the Administrators in dealing with those claims.
- 3.29 More information on the anticipated outcome for all classes of creditor in this case can be found in Section 4 below.
- 3.30 At this stage, I consider the following matters worth bringing to the attention of creditors:
- There are two secured creditors who are owed approximately £2,832,065.20. There have been no payments made to the secured creditors.
 - The Redundancy Payments Service ("RPS") have submitted a preferential claim in the sum of £2,050.85.
 - I will be required to deal with the claims of two employees with regard to residual preferential claims.
 - As per the director's Statement of Affairs, there were 47 unsecured creditors with an approximate value of £941,585.25. To date, I have received 19 unsecured claims with a value of £761,014.03. Claims have yet to be formally agreed.

Creditors Committee

- 3.31 To date, there have been nine committee meetings that have assisted with the Administration. It is intended that further correspondence will be entered into with the committee in due course. As agreed with the creditors' committee we are now providing quarterly updates on all live loans to the relevant investors.

Investigations

- 3.32 You may recall from my first progress report to creditors that some of the work Administrators are required to undertake is to comply with legislation such as the Company Directors' Disqualification Act 1986 (CDDA 1986) and Statement of Insolvency Practice 2 – Investigations by Office Holders in Administration and Insolvent Liquidations and may not necessarily bring any financial benefit to creditors, unless these investigations reveal potential asset recoveries that can be pursued for the benefit of creditors.
- 3.33 My report on the conduct of the Directors of the Company to the Department for Business, Energy & Industrial Strategy under the CDDA 1986 was submitted during the first period of the Administration and is confidential.
- 3.34 As previously advised, the main areas of concern, relate to negligence of receivers and/or office holders appointed by the Company prior to our appointment, and potential claims against valuers. These matters remain under review.

Financial Conduct Authority ("FCA")

- 3.35 There has been regular contact with the FCA in respect of all matters concerning the Administration.
- 3.36 The Administrators will continue to furnish the FCA with the necessary information that they require and will inform the FCA of pertinent issues.
- 3.37 It is not possible for the Administrators to discuss any dealings with the FCA, as these matters are confidential in nature.

What Remains to be Done in the Administration

- 3.38 In addition to the asset realisations, and as detailed in my previous reports, there was a matter of concern to the investors, in respect of the additional fee due to the Company upon a defaulted asset sale in accordance with the terms and conditions between the Company and the investors.

Directions

- 3.39 My earlier reports detail the action that the Joint Administrators had taken in respect of the directions application made pursuant to Paragraph 63 of the Schedule B1 of the Insolvency Act 1986 regarding the 5% fee levied by the Company.
- 3.40 There were consequential matters which followed from the Judgment, and a further hearing was heard in July 2021, whereby HHJ Pearce concluded that the Joint Administrators had acted in the proper fashion by bringing this matter to the Court and that all costs in relation to the direction's application are to be paid as an expense of the Administration.

- 3.41 The Administrators are currently working with the Creditors' Committee to agree a position in relation to the allocation of the ongoing expenses of the Administration and any residual consequential matters. A further update will be provided in due course.

4 Estimated Outcome for Creditors

- 4.1 Due to the volume and value of loans that remain to be concluded, it is not considered possible or appropriate to provide an Estimated Outcome Statement at this stage.

Investors

- 4.2 To date, total investor withdrawals amount to £24,328,103.96.

Secured Creditors

- 4.3 Rajinder Kumar ("RK") holds a fixed and floating charge over the Company's assets dated 12 October 2018. At the date of the Administration the indebtedness to RK was reported at £1,594,595.20. There have been no payments made to date in respect of this security.

- 4.4 In addition, EZ Invest Limited ("EZI") holds a fixed and floating charge dated 15 May 2019. At the date of the Administration the indebtedness to EZI was reported at £1,237,470.00. There have been no payments made to date in respect of this security.

- 4.5 It should be noted that the security held by RK ranks in priority to EZI.

Preferential Creditors

- 4.6 To recap, the preferential claim submitted by the RPS in the sum of £2,050.85 is expected to be paid in full.

- 4.7 In addition to this, there is one employee who has a residual preferential claim amounting to £1,793.29. It is expected that this amount will also be paid in full. As a result, preferential creditors are anticipated to receive a distribution at a level of 100 pence in the pound. The timing of this distribution is currently unknown.

Unsecured Creditors

- 4.8 I have received claims totalling £761,014.03 from 19 unsecured creditors. I have yet to receive claims from 28 creditors whose debts total £267,541.31 as per the Company's statement of affairs.

- 4.9 The Company granted a floating charge to RK and EZI. Subject to the review of their security (and there being sufficient assets to do so), I am required to create a fund out of the Company's net floating charge property for unsecured creditors (known as the Prescribed Part).

- 4.10 At the present time, I am unable to estimate the value of the Company's net floating charge property as asset realisations remain ongoing. Furthermore, due to the nature of the assets, together with the default positions and the fluctuating costs associated with realising the assets, the dividend position to unsecured creditors has to be noted as uncertain.

- 4.11 Should a dividend become available to the unsecured creditors other than from the Prescribed Part and unless it is more expedient to make an application to court to allow this to be distributed in the Administration, I anticipate that the Company will exit into creditors' voluntary liquidation in due course to

facilitate the payment of a distribution to the unsecured creditors. Further details in respect of an unsecured distribution other than the Prescribed Part will be given when appropriate.

5 Pre-Administration Costs

5.1 On 17 December 2019, the amounts shown below in respect of pre-administration costs were approved by the creditors committee:

Name of Recipient	Brief Description of Services Provided	Total Amount Approved (plus VAT) £
CG&Co	Advice in respect of the insolvency of the Company	7,500.00
Drydensfairfax Solicitors	Advice in respect of the insolvency of the Company	3,600.00

5.2 These fees have been discharged in full.

6 Administrators' Remuneration

6.1 The basis of the Administrators' fees has been fixed in the Administration by resolution of the creditors at the meeting held on 28 November 2019, which was ratified and confirmed by the creditors committee at the first committee meeting held on 17 December 2019, whereby minutes of the meeting were signed confirming the following resolutions:

- Under Rule 18.16 of the Insolvency Rules that the basis of the Administrators' remuneration be fixed at 2.5% of the "defaulted" assets realised (those loans where the term has expired) (exclusive of VAT and disbursements) and 0.125% of the "in term" assets realised (those loans where the term has not expired) during the conduct of the Administration (exclusive of VAT and disbursements) and the allocation of those fees, costs and expenses on pro rata basis amongst all creditors and investors of the Company as detailed in the Administrators' Report and Statement of Proposals.
- Under Rule 18.16 a set amount of £25,000 (exclusive of VAT) in respect of statutory formalities.

6.2 In respect of the agreed fee as a percentage of asset realisations on defaulted and in term loans, fees have been drawn in the sum of £83,869.47 plus VAT for the current Period. Total fees amount to £677,445.07 plus VAT.

6.3 As per previous reporting, it is the duty of the creditors committee to agree the Administrators' remuneration. It should be noted that at the Creditor's Committee meeting held on 17 December 2020, the statutory formalities fee was reviewed in line with the information provided to all Creditors on 10 December 2020, and it was resolved that an additional £25,000 (exclusive of VAT) per annum could be charged by the Administrators in respect of statutory formalities, due to the required extension of the Administration.

6.4 To date, the fee in relation to statutory duties has been drawn in the sum of £50,000 plus VAT in respect of the first and second year of the Administration.

6.5 In addition to the above, and as detailed in my last report, at the same committee meeting on 17 December 2020, it was confirmed that the associated time incurred by the Administrators and their staff, relating to the additional work required by the Confidential Matter (as discussed in the relevant committee meeting), could be charged but not billed, at a capped level of £30,000 plus VAT.

- 6.6 The Administrators completed this exercise accordingly, and in doing so, incurred time costs of £25,539.74. At the committee meeting on 17 March 2021, the committee resolved that these sums could be billed, although as at the date of this report, this sum has not yet been discharged.
- 6.7 A copy of 'A Creditors' Guide to Administrators' Fees' is available on request or can be downloaded from www.r3.org.uk/technical-library/england-wales/technical-guidance/fees/.
- 6.8 Attached at **Appendix B** is additional information in relation to the Administrators' fees, expenses and the use of subcontractors and other professional advisors.

7 Creditors' Rights

- 7.1 Within 21 days of the receipt of this report, a secured creditor, or an unsecured creditor (with the concurrence of at least 5% in value of the unsecured creditors) may request in writing that the Administrators provide further information about their remuneration or expenses (other than pre-administration costs) which have been itemised in this progress report.
- 7.2 Any secured creditor, or an unsecured creditor (with the concurrence of at least 10% in value of the unsecured creditors) may within 8 weeks of receipt of this progress report make an application to court on the grounds that, in all the circumstances, the basis fixed for the Administrators' remuneration is inappropriate and/or the remuneration charged, or the expenses incurred by the Administrators, as set out in this progress report, are excessive.

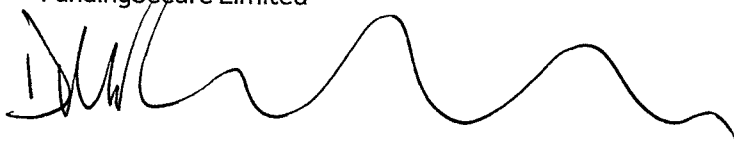

8 Ending the Administration

- 8.1 Contained within the Administrators' Proposals were various exit routes dependent upon the success of the asset recoveries.
- 8.2 It was deemed necessary to extend the Administration via an application to Court. The application was heard in the High Court of Justice Business and Property Court in Manchester on 2 September 2020. The Court extended the Administration to 22 October 2023.
- 8.3 The Administrators will be discharged from liability under Paragraph 98(3) of Schedule B1 to the Insolvency Act 1986 immediately upon their appointment as Administrators ceasing to have effect.

9 Next Report

- 9.1 The Administrators are required to provide a progress report within one month of the end of the next six months of the Administration or earlier if the Administration has been finalised.

GARC Ltd	Hourly rate and disbursements

2.4 Our choice was based on our perception of their experience and ability to perform this type of work, the complexity and nature of the assignment and the basis of our fee arrangement with them.

2.5 The decision was made to continue with the services of the Law of Property Act Receivers ("LPA Receivers") that were in office at the onset of the insolvency as the LPA Receivers fees would be paid in priority to another office holder and this would make a duplication of costs.

3 Administrators' Expenses

3.1 The estimate of expenses which were anticipated in the Administration was provided to creditors when the basis of our fees was approved. The table below compares the anticipated costs against those incurred to date.

Category 1 Expenses

3.2 These expenses do not require prior approval by creditors. The type of expenses that may be charged to a case as a Category 1 expense generally comprise of external supplies of incidental services specifically identifiable to the case, such as postage, case advertising, invoiced travel and external printing, external room hire and external storage costs. Also chargeable, will be any properly reimbursed expenses incurred by personnel in connection with the case. These expenses may include disbursements which are payments first met by an office holder and then reimbursed from the estate.

- 3.3 It should be noted that there has been continual assistance in respect of this case from legal advisors and it was considered necessary for a solicitor to be present at the creditor's meetings, committee meetings and during certain conference calls, for example, with the FCA.
- 3.4 Due to the nature of this case, there are certain costs that the total overall costs cannot be calculated as the costs continue to be incurred to enable asset realisations to complete.

- 3.5 Instructed solicitors across all loan specific matters have incurred, to date, WIP of £497,517.86 inclusive of VAT. This is inclusive of time incurred in relation to receivership appointments.

- 3.6 As advised in the Administrators' Proposals, the costs that would be incurred in respect of each specific loan would be difficult to accurately advise. In the main, the above costs have primarily been deducted at source from the gross realisation or is a payment that has been made, that will be recoverable from the specific loan, and is a necessary disbursement in respect of the recovery action for that loan, which will be repaid in priority to the amounts recovered for investors.
- 3.7 The general costs of solicitors and Counsels fees is in excess of the initial estimations in the main due to the need to seek direction from the Court in relation to the 5% fee matter.
- 3.8 It should be noted that the Company is not registered for Value Added Tax ("VAT"). Therefore, receivable VAT is irrecoverable and is noted accordingly as an expenditure on the Receipts and Payments account.

Category 2 Expenses

- 3.9 These expenses do require approval from creditors. These are costs which are directly referable to the appointment in question but are not payments which are made to an independent third party and may therefore include payments to associates of the office holder or shared or allocated costs that can be allocated to the appointment on a proper and reasonable basis. Details of Category 2 expenses charged by this firm (where appropriate) were provided at the time the Administrators' fees were approved by creditors.
